The King's Daughters' Musi-

The musicale arranged by the King's Daughters for the benefit of their charity fund, and given at the Congregational church Wednesday evening, was an entertainment of much more than ordinary merit and interest and it was heard by a large audience. The program was a very well-chosen one; the local singers were at their best, and Mr. Stanley E. Fuller, who also belongs to Woodstock, showed splendidly his powers as an organist in his two numbers, and in the accompaniments. Mr. Fuller came from Salem, Mass., especially to take part in the musicale, giving a whole day's work

due him for its success. The opening organ number was the canon by Schumann, and Mrs. H. H. Spear, soprano, who has made a place for herself among Woodstock singers in her few months' residence here, followed with a song by Couchois, "Since Thou Art Mine."

The entertainment adds \$85 to the charity fund and the King's Daughters are to be congratulated on its success in every way.

Clayton L. Allard Killed.

Pinned under his own automobile, afternoon. Mr. Allard was one of Bridgewater's best known citizens, highly esteemed and popular in this section as a business man, and his tragic death comes as a great shock to the community in which he was so conspicuous a figure. THE BUCK-HUNT TIMBER LANDS AND MILLS OFFERED FOR SALE.

In order to close the Mudgett estate, what is known as the Buck-Hunt Mills and timber lands are now offered for sate. They consist of sawing and dressing mills, and three to four thousand acres of timbered land, several hundred acres of which are heavily covered with old-growth

This is very fine property for some enterprising concern to take up. The lands nearly all slope down toward the mills, which are situated upon the estate, and alongside the property runs the St. Johnsbury and Lake Champlain branch of the Boston & Maine Railroad, the mills being on a private siding.

The mills have been recently enlarged by the addition of a commodious dry kiln, equipped with an up-to-date, latest style Sturtevant blower. A new Berlin hardwood flooring machine has also recently been added to the equipment,

We understand that the property will be sold on the basis of \$2.00 for the hardwood and \$4.00 for the spruce stumpage, and that two other large timber properties in this county are also on the market. The facts concerning any of them can be obtained by addressing Carroll S. Page, Treasurer, Hyde Park Lumber Company, Hyde Park, Vermont .- News and Citizen.
